OFFICE OF VICTIMS OF CRIME (OVC)

OVC is dedicated to a constant improvement in the national response to crime victims by:

- Identifying emerging needs and gaps in existing services.
- Enhancing the skill sets of service providers to better meet these needs.
- Promoting greater public awareness of the issues that crime victims face.

The OVC Resource Center produces and disseminates publications and products for victim service providers and other key audiences and links these professionals to OVC's program information

COUNCIL OF STATE GOVERNMENTS - VICTIMS RESOURCES

The release of any particular individual from prison or jail will likely have an immediate and direct impact on many people in the community, including victims, neighbors, friends, and family members. Information collected during intake to the facility about prisoners' personal relationships and responsibilities, and the risks that they may present to victims and others, can inform individual programming plans for the period of incarceration and release. This website provides resources to help in the implantation of this planning.

JUSTICE SOLUTIONS

Justice Solutions is a national non-profit organization dedicated to enhancing rights, resources and respect for victims and communities hurt by crime; enhancing governmental and societal responses to crime and its consequences on individuals and communities; and strengthening crime prevention initiatives in America. Justice Solutions accomplishes its mission through the provision of:

Education, training and technical assistance to victims, service providers, criminal justice and juvenile justice professionals, allied professionals and members of the community;

- Promoting research-to-practice as the foundation for public and justice-related policy development, and community safety and victim assistance programs;
- Promoting sound public policy that enhances victims' rights and services, offender accountability, and community protection; and
- Collaborating with individuals, organizations and government agencies that share its vision and goals.

VERA INSTITUTE OF JUSTICE - CRIME AND VICTIMIZATION

The Vera Institute of Justice works with others who share their vision to tackle the most pressing injustices of our day: from the causes and consequences of mass incarceration, racial disparities, and the loss of public trust in law enforcement, to the unmet needs of the vulnerable, the marginalized, and those harmed by crime and violence.

The Vera Institute of Justice studies the problems that impede human dignity and justice and pilot solutions that are at once transformative and achievable. They engage diverse communities in informed public debate and help policymakers and practitioners harness the power of evidence to drive effective policy and practice.
